CHOOSING THE RIGHT VAN FOR YOUR MOVE

The Clapham Van Sizing Guide

VAN SIZE	BEST FOR	CAPACITY	RECOMMENDED FOR
Small Van	• Small student moves • Single items (washing machine, fridge, etc.) • Few boxes or small furniture pieces	Up to **300 cubic feet** | Approx. **10-15 boxes**	Quick trips, small storage runs, or deliveries within Hackney and surrounding areas.
Medium Van	• 1-bedroom flats • Small office relocations • Bulky household items like sofas or beds	Up to **500 cubic feet** | Approx. **20-30 boxes**	Average-sized moves across East London without needing multiple trips.
Luton Van	• 2-3 bedroom homes • Large furniture and appliances • Office moves with multiple desks and chairs	Up to **700 cubic feet** | Approx. **40-50 boxes**	Family homes, office relocations, and larger removals with fewer trips
Extra-Large Luton Van	• 3+ bedroom homes • Complete house moves • Large volume office or business moves	Up to **900 cubic feet** | Approx. **60-70 boxes**	Full house moves, large properties, and moves that require extra space

Packing Like a Pro: Tips for Safe Transit

- **Use Sturdy Boxes:** Make sure all your boxes are durable and strong to prevent breakages.
- **Wrap Glass and Ceramics:** Always use bubble wrap or packing paper for glassware and ceramics.
- **Pack in Layers:** For a secure load, pack heavier items at the bottom and lighter ones on top.
- **Secure Items:** Use straps or ropes to secure large furniture and prevent it from shifting during transit.
- **Disassemble Where Possible:** Taking apart large items will save space and reduce the risk of damage.
